

Features:

- Diffuse LED light, white, for large-area homogeneous illumination
- Very long lifetime
- M12 plug-in connection
- Including connection cable, 10m
- Protection class: IP67
- Operating voltage 24V DC

Types				
Item-No.	Description	Color	Power consumption	Operating voltage
010225	AIT Sys-Light 200, LED, white, IP67, 24V	white	500mA	1: braun/brown, +24V DC 2: weiss/white, nc 3: blau/blue, GND 4: schwarz/black, nc 5: grün/gelb green/yellow nc Cable 4 leads á 0,34mm ²
